

Time to Buy a FELLOWSHIP POLO SHIRT!

The Fellowship is reintroducing a Polo Shirt for Members, Associates, Friends and Juniors

It is available in just one style with long or short sleeves and just two colours WHITE or NAVY, with a logo in navy with gold text.

The style is Johnny Bobbin 210, 65% Polyester, 35% Combed Cotton Pique Fabric, comfort fit, 210gm with a UPF of 40, which is 'Excellent'.

In an upgrade from our previous offerings, the Fellowship Logo, some 9cm square on the left breast, is EMBROIDERED.

Our logo has been adapted to the needs of embroidery – a tall ship in silhouette, the bow wave suggesting an open book as a statement about our research, library and records.

A chain is emblematic of a ship's anchor and the penal nature of the expedition. The text is in gold, the ship and chain in navy. These are the Fellowship colours.

The bounding box is a heptagon in navy, representing 'sailing the seven seas', an expression for a great expanse of water.

The date 1788 appears here as it does on many of our promotions.
